AIM

Through the divinity of our existence as the Gospel Ministers of Christ and as our calling in preaching the words, worship and praises to God, we are inspired and moved to give exaltation to God Almighty through our voices, strings of musical instruments and coupled with the fact that some Gospel Music Producers, Promoters, Marketers and Managers are not really helping the young Gospel Stars to achieve their AIM of being A GOSPEL MUSIC STAR.

World Whyte Music emanates to build the young Gospel talents off the streets as part of the souls winning, changing the narrative to a positive one as Christ Ministers through our EFFECTIVE SERVICES.

So we encourage every young talented Gospel Music singer to seize this opportunity through the direction of The Holy Spirit (The Super Natural being) as it helps you become A STAR.
